BRANDING MARK

PRIMARY LOGO

The EDL Gallery logo represents the essence of an artistic exhibition space through a simple yet meaningful visual identity. The tilted frame acts as both canvas and display panel, with a hanging detail above referencing classic gallery presentation. The “D” placed at its center reinforces that creativity is always the focus. Elegant typography completes the mark, projecting a sophisticated, professional, and enduringly modern identity.

The EDL Gallery color palette reflects the gallery's refined and artistic identity. The primary colors consist of Orange, Chestnut, and Black, each selected to communicate elegance, creativity, warmth, and professionalism. White is included as the primary background color, providing a clean and neutral foundation that allows the brand colors, typography, and featured artwork to stand out clearly.
